## **Report of Independent Auditors**

The Board of Trustees  
899 Charleston dba Moldaw Residences

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the financial statements of 899 Charleston dba Moldaw Residences, which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of revenues and expenses, changes in net deficit, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of 899 Charleston dba Moldaw Residences as of June 30, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 899 Charleston dba Moldaw Residences and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 899 Charleston dba Moldaw Residences' ability to continue as a going concern within one year after the date that the financial statements are issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 899 Charleston dba Moldaw Residences' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 899 Charleston dba Moldaw Residences' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

San Francisco, California

## 899 Charleston dba Moldaw Residences

### Notes to Financial Statements

---

#### **Note 1 – Nature of Activities**

899 Charleston dba Moldaw Residences (the “Organization”) was established on March 30, 2006, as a nonprofit public benefit corporation in the State of California. The specific and primary purposes of the Organization are: (1) to provide residential facilities that are specifically designated to meet a combination of physical, emotional, recreation, social, and similar needs of aged persons; (2) to maintain arrangements with organizations, facilities, and/or health personnel to address the well-being of the residents; and (3) to adopt policies and procedures designed to address the need of the residents for protection against financial risks associated with the later years of life.

In 2007, 899 Charleston, LLC (the “LLC”) was formed in order to facilitate the bond financing transaction for the 899 Charleston project (the “Project”). The Project included the construction of 193 continuing care retirement community units in Palo Alto, California, which became part of the network of living options, services, and care associated with the Hebrew Home for Aged Disabled (the “Campus”) dba the San Francisco Campus for Jewish Living. The LLC’s rights and obligations under the bond and the Project were assigned to the Organization after it was recognized by the Internal Revenue Service as a tax-exempt organization. In an agreement with the City of Palo Alto, the Project provides a Below-Market Rate (“BMR”) Program that includes, among other services, providing 24 housing units at entry fee levels that comply with the income and affordability standards prescribed by the BMR Program for 89 years. The Project also established a \$5 million endowment for financial need with the stipulation that the income be restricted for the support of residents of 899 Charleston or accepted applicants who cannot afford a portion of either the entry fee or the monthly fee.

In October 2009, the construction of the facility was completed, and the Organization commenced operations.

#### **Note 2 – Significant Accounting Policies**

**Basis of accounting** – The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

**Basis of presentation** – The Organization is required to report information regarding its financial position and operations according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

*Net assets without donor restrictions* – Represent unrestricted resources available to support the Organization’s operations. This includes resources that were originally restricted by the donor that became available for use by the Organization, in accordance with the intentions of donors.

*Net assets with donor restrictions* – Represent contributions that are limited in use by the Organization in accordance with donor-imposed stipulations. These stipulations may expire with time or may be satisfied and removed by the actions of the Organization according to the terms of the contribution. A portion of these contributions is classified as endowments and income from these contributions is primarily available to support the activities of the Organization as directed by the donors (see Note 10). Donor-imposed restrictions are released when a restriction expires; that is, when the stated time has elapsed, when the stated purpose for which the resource was restricted has been fulfilled, or both.

## 899 Charleston dba Moldaw Residences

### Notes to Financial Statements

---

**Use of estimates** – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates include deferred revenue from entrance fees, future service benefit obligation and recoverability of long-lived assets. Actual results could differ from those estimates.

**Cash, cash equivalents, and restricted cash** – Cash and cash equivalents consist primarily of cash on deposit and money market accounts that are readily convertible into cash and purchased with original maturities of three months or less.

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported within the statements of financial position that sum to the total of the same such amounts shown in the statements of cash flows as of June 30:

	2023	2022
Cash and cash equivalents	\$ 11,657,880	\$ 8,017,129
Restricted cash included in debt service fund	4,422,036	4,421,822
Total cash, cash equivalents, and restricted cash	\$ 16,079,916	\$ 12,438,951

Amounts included in restricted cash represent those contractually required to be set aside for future debt service payments.

**Notes receivable** – Some prospective residents require additional time to liquidate assets to fully pay the entrance fee that is due when they sign their continuing care contract with the Organization. In these situations, the individuals sign a contract addendum and a notarized promissory note that gives them up to 90 days to pay the balance of their entrance fee. The Organization records a note receivable for these deferred entrance fees. Before contracts are signed, the Organization does extensive financial screening. Based on past collection experiences, the Organization estimates that all the outstanding balances are collectible as of June 30, 2023 and 2022, and no provision of allowance for losses is deemed necessary.

The Organization also records notes receivable when a resident's monthly fee is reduced due to a financial assistance subsidy or use of a health care line of credit. In both these situations, any reduction to the monthly fee is deducted from the refundable portion of the resident's entrance fee when the refund becomes due. In general, no provision of allowance for losses is deemed necessary because the Organization does not need to collect the balance on the note receivable; it simply reduces the payment it issues to the resident or their estate. If the aggregate amount of financial assistance a resident received equals the amount of the refundable portion of their entrance fee, an allowance for losses is recorded for any additional subsidies.

**Investments** – Investments in debt securities are stated at fair value. Fair value is determined based on quoted market prices. Unrealized gains or losses on investments resulting from market fluctuations are recorded in the statements of revenues and expenses in the period such fluctuations occur. Realized gains or losses on sales of investments are calculated on the average cost basis. Investment sales and purchases are recorded on a trade-date basis and dividends and interest income are recorded when earned on an accrual basis. Investments include money market funds.

## 899 Charleston dba Moldaw Residences

### Notes to Financial Statements

---

**Fair value of financial instruments** – Management has elected to value financial instruments at fair value on an instrument-by-instrument basis. See Note 8 for fair value hierarchy.

**Contributions and promises to give** – Contributions, which may include unconditional promises to give (pledges), are recognized at fair value as revenues in the period received or unconditionally pledged. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. Promises to give are recorded at net realizable value if expected to be collected in one year and at the present value of their estimated future cash flows if expected to be collected in more than one year.

Conditional promises to give are recognized when the conditions on which they depend have been substantially met and the promises become unconditional. There were no conditional promises to give as of June 30, 2023 or 2022.

The Organization uses the allowance method to determine uncollectible pledge receivables. The allowance is based on management's analysis of specific promises made.

**Property and equipment** – Property and equipment are recorded at cost. Routine maintenance and repairs are charged to expense as incurred. Depreciation is calculated using the straight-line method over the following useful lives:

Buildings and building equipment	10 to 40 years
Land improvements	5 years
Personal property	3 to 10 years

Donations of property and equipment are recorded at their estimated fair value. Such donations are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

**Accounting for impairment of long-lived assets** – The Organization reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets held and used is measured by comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Management determined that no impairment occurred to the long-lived assets as of June 30, 2023 and 2022.

## 899 Charleston dba Moldaw Residences

### Notes to Financial Statements

---

**Revenue recognition** – Resident fees are reported at the amount that reflects the consideration to which the Organization expects to be entitled to in exchange for the services provided. In accordance with resident agreements, the Organization provides senior living services to residents for a stated monthly fee. The Organization recognizes revenue for senior living services under the resident agreements for independent living in accordance with the provisions of Financial Accounting Standards Board (“FASB”) Accounting Standard Codification (“ASC”) 842, *Leases* (“ASC 842”). The noncancelable term of these resident agreements is less than 12 months; as such, these are accounted for as short-term lease agreements. The Organization recognizes revenue for senior living services under the resident agreements for assisted living and memory support in accordance with the provisions of ASC 606, *Revenue from Contracts with Customers* (“ASC 606”), which is recognized as the services are performed. Resident fee revenue disaggregated by service line for the years ended June 30, is as follows:

	2023	2022
Independent living	\$ 10,003,724	\$ 9,249,172
Assisted living	1,491,967	1,310,653
Memory support	1,537,553	1,387,825
Total resident fees	\$ 13,033,244	\$ 11,947,650

Fees for services and other income is reported at the amount that reflects the consideration to which the Organization expects to be entitled to in exchange for providing the related services. Revenue is recognized as the services are performed and includes monthly service fees for independent living, assisted living and memory care as well as clinic revenue and other miscellaneous income.

**Beneficial interest in Jewish Home & Senior Living Foundation** – The Organization follows ASC 958, *Not-for-Profit Entities* (“ASC 958”), in recording transactions in which a donor makes a contribution by transferring assets to a not-for-profit organization or charitable trust (the recipient organization, i.e., the Jewish Home & Senior Living Foundation (the “Foundation”). The Foundation accepts the assets from the donor and agrees to use those assets on behalf of or transfer those assets, the return on investment of those assets, or both to another entity (the beneficiary, i.e., the Organization) that is specified by the donor. The recipient organization, the Foundation, recognizes the fair value of those assets as a liability to the specified beneficiary, the Organization, concurrent with recognition of the assets received from the donor. The Organization recognizes an asset, beneficial interest in Foundation, with a corresponding change in beneficial interest in the net assets of the Foundation.

The beneficial interest in the Foundation is placed in certain investments that are exposed to various risks, such as changes in interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is possible that the value of the Foundation’s investments and net asset balance could fluctuate by a material amount.

## 899 Charleston dba Moldaw Residences

### Notes to Financial Statements

---

**Continuing care contracts** – The Organization has entered into continuing care contracts with the residents of its continuing care facilities. Under the provisions of these contracts, residents are required to pay an entrance fee and periodic monthly fees (“resident fees”) in exchange for services and the right to occupy and use the facilities. Entrance fees are one-time payments made by residents of the continuing care facilities that, in addition to monthly fees, provide for living accommodations. The resident fees are subject to adjustment for changes in operating costs or other economic reasons. The continuing care contracts create a performance obligation to provide residency care and services, which will be satisfied over the resident’s remaining stay at the Organization. The nonrefundable portion of the fees is recorded as deferred revenue from entrance fees and amortized to income using the straight-line method over the estimated remaining life expectancy of the resident, in accordance with ASC 606. The period of amortization is adjusted annually using the life expectancy table published in the California Continuing Care Contract Statutes. The change in deferred revenue from entrance fees during the years ended June 30, consists of the following activity:

	2023	2022
Balance, beginning of year	\$ 7,301,493	\$ 7,199,324
New entrance fees received	3,974,664	2,191,014
Amortization of entrance fees	(436,223)	(2,088,845)
Other	(261,505)	-
Balance, end of year	\$ 10,578,429	\$ 7,301,493

Refundable entrance fees are primarily noninterest bearing and, depending on the type of contract, can range from 0% to 90% of the total entrance fees. Refundable entrance fees are returned to the resident or the resident’s estate depending on the form of the agreement either upon re-occupancy or termination of the care agreement. As of June 30, 2023 and 2022, the Organization is obligated to refund \$113,894,461 and \$109,748,841 in entrance fees, respectively.

**Future service benefit obligation** – The Organization annually calculates the present value of the net cost of future services and the use of facilities to be provided to current residents and compares that amount with the balance of deferred revenue from entrance fees. If the present value of the net cost of future services and the use of facilities exceeds the deferred revenue from entrance fees, a liability is recorded (future service benefit obligation) with the corresponding charge to expense. The obligation is discounted at 5% for 2023 and 7% for 2022, based on the expected long-term rate of return on government obligations. As of both June 30, 2023 and 2022, the Organization’s future service benefit obligation was \$0.

**Fair value measurements** – ASC 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to measurements involving significant unobservable inputs (Level 3).

The three levels of the fair value hierarchy are as follows:

**Level 1** – Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access at the measurement date;

## 899 Charleston dba Moldaw Residences

### Notes to Financial Statements

---

**Level 2** – Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and

**Level 3** – Inputs are unobservable inputs for the asset or liability.

The level in the fair value hierarchy within which a fair value measurement falls is based on the lowest level input that is significant to the fair value measurement, in its entirety.

The fair values of the financial instruments as of June 30, 2023 and 2022, represent management's best estimates of the amounts that would be received to sell those assets or that would be paid to transfer those liabilities in an orderly transaction between market participants at that date. Those fair value measurements maximize the use of observable inputs. However, in situations where there is little, if any, market activity for the asset or liability at the measurement date, the fair value measurement reflects management's own judgments about the assumptions that market participants would use in pricing the asset or liability. Those judgments are developed by management based on the best information available in the circumstances.

**Marketing and advertising expenses** – The Organization expenses all marketing and advertising expenses as they are incurred, in accordance with ASC 606. Marketing and advertising expense for the years ended June 30, 2023 and 2022, amounted to \$420,536 and \$457,279, respectively.

**Income taxes** – The Organization is exempt from federal and California state income taxes under the provisions of Internal Revenue Code Section 501(c)(3) and by the Franchise Tax Board under Section 23701(d) of the California Revenue and Taxation Code.

U.S. GAAP requires the Organization to evaluate tax positions taken by the Organization and recognize a tax liability if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable tax authority. The Organization has reviewed its tax positions for all open tax years and believes that it has appropriate support for the tax positions taken. Therefore, no liability has been recorded.

**Functional allocation of expenses** – The costs of providing the Organization's various programs and supporting services have been summarized on a functional basis (see Note 13). Expenses for salaries and wages, employee benefits and payroll taxes (except for worker's compensation), contract services and professional fees, supplies, utilities, and maintenance, and other are charged directly to departments within each functional area. Additionally, certain indirect costs have been allocated among the programs and supporting services benefited. Worker's compensation insurance expense is allocated based on salaries and wages for each functional area. Interest related to the bonds used to fund construction of the facility and interest expense on the vehicles used to transport residents are designated as program expense. All other interest expense is designated as management and general expense. Depreciation expense is allocated based on the number of personnel in each function.

**Performance indicator** – The performance indicator reported in the statements of revenues and expenses is captioned as "deficit of revenues over expenses." Changes in net deficit without donor restrictions that are excluded from the performance indicator include funds released from restriction to purchase capital assets.

## 899 Charleston dba Moldaw Residences

### Notes to Financial Statements

---

**Subsequent events** – Subsequent events are events or transactions that occur after the statement of financial position date, but before financial statements are issued. The Organization recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of financial position, including the estimates inherent in the process of preparing the financial statements. The Organization’s financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of financial position, but arose after the statement of financial position date, and before financial statements are issued.

The Organization has evaluated subsequent events through October 23, 2023, which is the date the financial statements are issued.

**Reclassifications** – Certain reclassifications were made to the 2022 amounts to conform to the 2023 presentation.

#### Note 3 – Concentration of Credit Risk

The Organization has defined its financial instruments that are subject to credit risk as cash and cash equivalents. The Organization maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts, and management believes it is not exposed to any significant credit risk on cash and cash equivalents.

#### Note 4 – Investments

Investments, carried at fair value, are summarized as follows as of June 30:

	2023		2022	
	Cost	Fair Value	Cost	Fair Value
Money market funds	\$ 10,558,880	\$ 10,558,880	\$ 12,122,849	\$ 12,122,849
Fixed income mutual funds	1,651,784	1,651,784	1,633,030	1,633,030
	<u>\$ 12,210,664</u>	<u>\$ 12,210,664</u>	<u>\$ 13,755,879</u>	<u>\$ 13,755,879</u>

Investments in securities are exposed to various risks, such as changes in interest rates or credit ratings and market fluctuations. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is possible that the value of the Organization’s investments and net asset balance could fluctuate materially.

Net unrealized losses on investments for the years ended June 30, 2023 and 2022, included in investment income (loss) in the statements of revenues and expenses, were \$19,683 and \$120,911, respectively.

**899 Charleston dba Moldaw Residences**  
**Notes to Financial Statements**

---

**Note 5 – Property and Equipment, net**

Property and equipment, net consist of the following as of June 30:

	2023	2022
Buildings and building equipment	130,814,785	\$ 128,134,304
Land improvements	831,956	781,717
Furniture and equipment	9,417,570	9,095,312
Automobiles	323,660	323,660
Artwork	-	38,559
	141,387,971	138,373,552
Total assets subject to depreciation		
Less: accumulated depreciation	(57,196,338)	(52,331,082)
Depreciable assets	84,191,633	86,042,470
Land	13,118,538	13,118,538
Construction in progress	-	1,679,556
Total property and equipment, net	\$ 97,310,171	\$ 100,840,564

**Note 6 – Bonds Payable**

Outstanding bonds payable as of June 30, 2023 and 2022, represents tax-exempt, fixed rate revenue term bonds (899 Charleston Project), Series 2014A (“2014 Bonds”) issued on November 20, 2014, by the California Statewide Communities Development Authority (the “Authority”) in the amount of \$71,345,000, which will mature on November 1, 2049. The 2014 Bonds are a limited obligation of the California Statewide Communities Development Authority, which were issued pursuant to an Indenture of Trust between the Authority and the Bond Trustee. The proceeds from the 2014 Bonds were loaned to the Organization under a loan agreement between the Authority and the Organization. The Organization used the proceeds from the 2014 Bonds to (1) refund the then existing bonds payable (the 2007 Bonds, described below), (2) to repay all of the term loans outstanding under the Letter of Credit, to repay a portion of the outstanding loan payable to the Foundation, and all of the loan payable to the Campus (see Note 7 for further description of all term loans), and (3) pay the bond issuance cost and set aside required reserve funds. The 2014 Bonds are secured by funds held by the Bond Trustee and a Deed of Trust secured by the land, buildings, revenue from resident payments including entrance fees, and other assets of the Organization.

## 899 Charleston dba Moldaw Residences

### Notes to Financial Statements

---

The 2014 Bonds, which were issued with six term dates maturing on November 1, 2019, 2024, 2029, 2034, 2044, and 2049, have face value interest rates ranging from 5.000% to 5.375%, but were priced with yields ranging from 2.950% to 5.350%. The average interest cost on the 2014 Bonds is approximately 5.250%. The Organization makes semi-annual payments to the Bond Trustee of interest (in May and November) and principal sinking fund payments (in November). The principal sinking fund payments are sufficient to meet the term bond maturities when due. Annual debt service payments vary slightly, with the maximum annual debt service being \$4,449,831. Under the Master Indenture, the Organization covenants that it will, among other requirements, maintain a debt service coverage ratio of 1.25 for each fiscal year. Furthermore, the Organization covenants that it will maintain days' cash on hand of 180 days on each June 30 and December 31 while the 2014 Bonds are outstanding. Management believes that the Organization was in compliance with these covenants as of the June 30, 2023, measurement date.

As of June 30, the following is reflected in the statements of financial position of the Organization pertaining to the 2014 Bonds:

	2023	2022
Bonds payable, current portion	\$ 1,080,000	\$ 1,030,000
Bonds payable, net:		
Long-term portion of bonds payable	\$ 63,310,000	\$ 64,390,000
Unamortized bond premium	164,086	217,240
Unamortized bond issue cost	(1,397,859)	(1,450,955)
	\$ 62,076,227	\$ 63,156,285

Bond issuance costs are deferred and amortized using the effective interest method over the term of the bond liability.

The following provides the current and future principal obligations for the 2014 Bonds:

<u>Years Ending June 30,</u>	
2024	\$ 1,080,000
2025	1,135,000
2026	1,190,000
2027	1,250,000
2028	1,315,000
Thereafter	58,420,000
	\$ 64,390,000

**899 Charleston dba Moldaw Residences**  
**Notes to Financial Statements**

---

**Note 7 – Loans Payable, net**

Loans payable, net consist of the following as of June 30:

	2023	2022
Loans from the Foundation	\$ 5,400,000	\$ 5,400,000
Less: discount on loans	(596,840)	(724,735)
Total	4,803,160	4,675,265
Less: current portion	(600,000)	(300,000)
Loans payable, net of current portion	\$ 4,203,160	\$ 4,375,265

During the years ended June 30, 2011 and 2010, the Foundation provided the Organization with loans totaling \$7,000,000 to fund the Organization’s project deficiencies and operational needs as guarantor under the letter of credit agreement. With the issuance of the 2014 Bonds (see Note 6), \$1,000,000 of these loans were repaid to the Foundation. Under the terms of the 2014 Bonds Master Indenture and a Debt Modification Agreement between the Organization and the Foundation, the remaining \$6,000,000 outstanding principal amount of the loan originally due as of June 30, 2016, may be repaid by the Organization in 20 semi-annual installments if the Organization meets certain financial requirements and tests. The Organization met these tests during the 12 months ended December 31, 2019, and thus made the first \$300,000 payment on this loan in February 2020. An additional payment in the amount of \$300,000 was made in August 2020 based on the Organization meeting the financial requirements for the 12 months ended June 30, 2020. The Organization did not meet these requirements again until the 12 months ended June 30, 2023, upon which, a \$300,000 payment is due in August 2023. The loan provides for 0% interest and has been discounted to present value in the financial statements using a rate of 3.25%. The Organization amortized \$127,895 and \$127,894 of this discount for the years ended June 30, 2023 and 2022, respectively, which is reflected as interest expense in the statements of revenues and expenses.

## 899 Charleston dba Moldaw Residences

### Notes to Financial Statements

#### Note 8 – Fair Value Measurements

The following fair value hierarchy tables present information about the Organization's financial instruments measured at fair value on a recurring basis as of June 30:

Description	Balance as of June 30, 2023	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Assets:				
Investments:				
Money market funds	\$ 10,558,880	\$ 10,558,880	\$ -	\$ -
Fixed income mutual funds	1,651,784	1,651,784	-	-
Total investments	12,210,664	12,210,664	-	-

	<u>\$ 26,398,747</u>	<u>\$ 18,177,701</u>	<u>\$ -</u>	<u>\$ 8,221,046</u>

## 899 Charleston dba Moldaw Residences

### Notes to Financial Statements

---

The following table summarizes the changes in the Organization's Level 3 financial instruments:

	Beneficial Jewish Home & Senior Living Foundation
Balance, June 30, 2021	\$ 9,502,395
Change in value	(1,144,737)
Withdrawals	(136,612)
Balance, June 30, 2022	8,221,046
Change in value	650,719
Withdrawals	(541,369)
Balance, June 30, 2023	\$ 8,330,396

The valuation methodologies used to determine the fair values of assets and liabilities under the "exit price" for fair value measurement reflect market-participant objectives and are based on the application of the fair value hierarchy that prioritizes observable market inputs over unobservable inputs. The Organization determines the fair values of certain financial assets and financial liabilities based on quoted market prices, where available. The Organization also determines fair value based on future cash flows discounted at the appropriate current market rate. Fair values reflect adjustments for counterparty credit quality, the Organization's credit standing, liquidity and, where appropriate, risk margins on unobservable parameters.

The Organization's management, under the supervision of its Board of Trustees, determines the fair value measurement policies and procedures. These policies and procedures are reassessed annually to determine if the current valuation techniques are still appropriate. At that time, the unobservable inputs used in the fair value measurements are evaluated and adjusted, as necessary, based on current market conditions and other third-party information. In determining the reasonableness of the methodology, management evaluates a variety of factors including a review of existing agreements, economic conditions, and industry and market developments. Certain unobservable inputs are assessed through review of contract terms (duration and payout data) while others are substantiated utilizing available market data (discount rates and mortality table). The following are the techniques used to determine fair values for the financial instruments listed in the above tables:

- Debt service funds consist of cash equivalents, which approximates fair value.
- Beneficial interest in Foundation – The fair value is determined based on the Organization's ownership interest in investments measured at quoted market prices.

## **899 Charleston dba Moldaw Residences**

### **Notes to Financial Statements**

---

Fair values of the Organization's financial instruments as of June 30, 2023 and 2022, which are not measured at fair value on a recurring basis, are as follows:

- Accounts receivable, prepaid expenses and other current assets, notes receivable, other receivables, accounts payable, accrued liabilities, deferred monthly fees, refundable deposits, and refundable entrance fees – The carrying amount approximates fair value due to their short-term nature.
- Loans payable – The carrying value approximates fair value as they are carried at the amounts to be paid discounted to present value.
- Future service benefit obligation – The carrying value approximates fair value as it is carried at the amounts to be paid discounted to present value.

#### **Note 9 – Endowment Funds**

The Organization follows ASC 958 for reporting endowment funds. The standard provides guidance on the net asset classification of donor-restricted endowment funds that are subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"). The State of California adopted a version of the UPMIFA, known as the State Prudent Management of Institutional Funds Act ("SPMIFA").

SPMIFA moves away from the concept of corpus with its "historical dollar value" in an endowment. Charities are encouraged to develop spending policies that are responsive to short-term fluctuations in the value of the fund, preserve the value of the fund for future use, and honor the charitable purpose of the fund. The Organization continues to balance the endurance of its funds and the needs of the community in its granting policies and practices.

The Organization's endowment assets are generally donor-restricted endowment funds established to generate support for residents of the Project or accepted applicants who cannot afford a portion of either the entry fee or the continuing monthly costs. As required by ASC 958, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

**Interpretation of relevant law** – The Board of Trustees of the Organization has interpreted SPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund is classified as net assets with donor restrictions until those amounts are approved for appropriation for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by SPMIFA.

## 899 Charleston dba Moldaw Residences

### Notes to Financial Statements

---

In accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund;
- (2) The purposes of the organization and the donor-restricted endowment fund;
- (3) General economic conditions;
- (4) The possible effect of inflation and deflation;
- (5) The expected total return from income and the appreciation of investments;
- (6) Other resources of the organization; and
- (7) The investment policies of the organization.

**Return objectives and risk parameters** – The Organization has adopted investment and spending policies for endowment assets that will ultimately provide a predictable stream of funding to provide support for the various programs of the Organization while seeking to maintain the original gift value of the endowment asset. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to realize a competitive rate of return comparable to index benchmarks.

**Strategies employed for achieving objectives** – To satisfy its long-term rate-of-return objectives, the Organization relies on a diversified asset investment strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation of investments to achieve its long-term return objectives within prudent risk constraints.

**Spending policy and how the investment objectives relate to spending policy** – The Organization has a policy of appropriating for distribution of income, both current and accrued, from the endowment funds to any resident who needs financial assistance for any aspect of their stay at the facilities of the Organization. The Organization expects to provide annual distributions of 5% of the market value of the endowment assets as determined quarterly and averaged over the preceding 36 months. The investment managers are required to invest funds to ensure that required distributions of income can be met.

**Funds with deficiencies** – From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or SPMIFA requires the Organization to retain as a fund of perpetual duration. No deficiency of this nature existed as of June 30, 2023 and 2022.

**899 Charleston dba Moldaw Residences**  
**Notes to Financial Statements**

Net assets were released from restrictions during 2023 and 2022 for the following purposes:

	2023	2022
Satisfaction of purpose	\$ 541,369	\$ 136,612

#### **Note 11 – Financially Interrelated Organizations**

**Taube-Koret Campus for Jewish Life Owners Association** – Certain components of the property, facilities, and operations of the Organization and the Albert L. Schultz Jewish Community Center of Palo Alto (“Jewish Community Center”) are common to both organizations. The Taube-Koret Campus for Jewish Life Owners Association (“TKCJL-OA”) was formed as a partnership between the parties, and administers those functions, properties, and facilities that are common to both. As required by law, the TKCJL-OA is required to prepare a reserve analysis of future capital replacement needs for the common areas of the campus. This reserve analysis projects the amount of funds that are required to be set aside on a current basis to meet future capital needs. The Organization’s statements of financial position reflect a deposit held by TKCJL-OA of \$808,385 and \$639,929 as of June 30, 2023 and 2022, respectively, which is the Organization’s share of such reserve fund deposits.

TKCJL-OA has a separate board of directors over which 899 Charleston does not exercise majority control and, therefore, the operations of TKCJL are not included in the accompanying financial statements.

**The Foundation** – The Foundation provided the Organization with noninterest-bearing loans totaling \$7 million to fund the Organization’s project deficiencies and operational needs as guarantor under a letter of credit agreement. The Foundation fulfilled its obligation under a support and guarantee agreement. Subsequent payments have been made resulting in a remaining balance of \$5,400,000 outstanding for each of the years ended June 30, 2023 and 2022 (see Note 7).

The Organization’s employees perform various duties related to fundraising. Beginning in the fiscal year ended June 30, 2019, the Organization received reimbursement from the Foundation for these costs incurred in relation to such tasks based on estimated employees’ time and efforts. For the years ended June 30, 2023 and 2022, reimbursement of costs equaled \$0 and \$35,316, respectively, which were recorded as a receivable from the Foundation as of June 30, 2023 and 2022, respectively.

The Foundation holds and invests the endowment funds on behalf of the Organization.

The Foundation has a separate board of trustees over which the Organization does not exercise majority control and, therefore, the operations of the Foundation are not included in the accompanying financial statements.

**The Campus** – The Campus has a separate board of trustees over which the Organization does not exercise majority control and, therefore, the operations of the Campus are not included in the accompanying financial statements.

## 899 Charleston dba Moldaw Residences

### Notes to Financial Statements

---

**Jewish Senior Living Group** – The Organization had a management agreement with Jewish Senior Living Group (“JSLG”) that was formed to provide supporting activities for the benefit of nonprofit organizations and to provide or promote the provision of Jewish living services, facilities, and/or aging services in Northern California.

The Organization and JSLG entered into annual service agreements in 2011, whereby JSLG provided support services related to finance and accounting, information technology, marketing, human resources, and organizational advancement at a set monthly fee plus any additional services, costs, or expenses pre-approved by the Organization. During the year ended June 30, 2022, the Organization paid \$390,513 for other services. During August 2021, the management agreement with JSLG was terminated effective October 2021.

#### **Note 12 – Management Agreement**

In August 2021, the Organization entered into a contract with Life Care Services (“LCS”) for management of the community effective October 2021. Under the terms of the agreement, LCS supervises the operations of the community. During the years ended June 30, 2023 and 2022, the Organization paid \$588,731 and \$404,733, respectively, for management and marketing services.

#### **Note 13 – Retirement Plan**

The Organization sponsors a 403(b) defined contribution plan for its employees. The plan covers substantially all employees meeting certain eligibility requirements. Total expenses under the plan were \$75,647 and \$52,702 for the years ended June 30, 2023 and 2022, respectively.

#### **Note 14 – Functional Classification of Expenses**

Expenses by function for the years ended June 30 were as follows:

	For the Year Ended June 30, 2023			
	Program Activities	Management and General	Fundraising	Total
Salaries and wages	\$ 5,183,146	\$ 784,831	\$ -	\$ 5,967,977
Employee benefits and payroll taxes	1,049,131	288,329	-	1,337,460
Contract services and professional fees	2,216,841	1,744,430	-	3,961,271

	<b>\$ 16,478,860</b>	<b>\$ 2,968,858</b>	<b>\$ 205,008</b>	<b>\$ 19,652,726</b>

#### Note 15 – Commitments and Contingencies

**Litigation** – In the normal course of business, the Organization is, from time to time, subject to allegations that may or do result in litigation. The Organization evaluates such allegations by conducting investigations to determine the validity of each potential claim. Based upon the advice of counsel, management records an estimate of the amount of ultimate expected loss, if any, for each of these matters. Events could occur that would cause the estimate of ultimate loss to differ materially in the near term.

**Regulatory matters** – The healthcare industry is subject to numerous laws and regulations of federal, state, and local governments. These laws and regulations include, but are not necessarily limited to, matters such as licensure, accreditation, and government healthcare program participation requirements.

#### Note 16 – Liquidity and Availability

The following table reflects the Organization's financial assets as of June 30, reduced by amounts not available for general expenditure within one year:

	2023	2022
Cash and cash equivalents	\$ 11,657,880	\$ 8,017,129
Investments	12,210,664	13,755,879

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of 899 Charleston dba Moldaw Residences, which comprise the continuing care liquid reserve schedules, Form 5-1 through Form 5-5, for the year ended June 30, 2023.

In our opinion, the financial statements referred to above present fairly, in all material respects, the continuing care liquid reserves of 899 Charleston dba Moldaw Residences as of and for the year ended June 30, 2023, in conformity with the liquid reserve requirements of California Health and Safety Code Section 1792.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 899 Charleston dba Moldaw Residences and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Basis of Accounting***

We draw attention to the basis of accounting used to prepare the financial statements. The financial statements are prepared by 899 Charleston dba Moldaw Residences on the basis of the liquid reserve requirements of California Health and Safety Code Section 1792, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of California Health and Safety Code Section 1792. Our opinion is not modified with respect to this matter.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the liquid reserve requirements of California Health and Safety Code Section 1792, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may include collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 899 Charleston dba Moldaw Residences' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 899 Charleston dba Moldaw Residences' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal-control-related matters that we identified during the audit.

***Other Matter***

Our audit was conducted for the purpose of forming an opinion on the financial statements, as a whole. The accompanying Attachment to Form 5-4: Deductions from Operating Expenses; Attachment to Form 5-5: Schedule of Qualifying Assets – Debt Service Reserve and Operating Reserve; and Attachment to Form 5-5: Required Disclosure Under Section 1790 (a)(2); presented as supplementary schedules, are presented for the purpose of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of financial statements, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements, taken as a whole.

***Restriction on Use***

Our report is intended solely for the information and use of the Board of Trustees and management of 899 Charleston dba Moldaw Residences and the California Department of Social Services, and is not intended to be, and should not be, used by anyone other than these specified parties.

(briefly describe provider's compliance and residents' roles):

There are two resident representatives on the Board, one voting and one non-voting.

All providers are required by Health and Safety Code section 1789.1 to provide this report to prospective residents before executing a deposit agreement or continuing care contract or receiving any payment. Many communities are part of multi-facility operations which may influence financial reporting. Consumers are encouraged to ask questions of the continuing care retirement community that they are considering and to seek advice from professional advisors.

**Comments from Provider:**

Moldaw changed management companies in FY 2022. The 2022 and 2023 average fee for each line is the average of base service fees paid by residents. The change percentage is the increase applied to each resident's fees. Three bedroom units are reported on the line for Cottage/House.

**Financial Ratio Formulas**

**Long-Term Debt to Total Assets Ratio**

$$\frac{\text{Long Term Debt, less Current portion}}{\text{Total Assets}}$$

**Operating Ratio**

$$\frac{\text{Total Operating Expenses - Depreciation Expense - Amortization Expense}}{\text{Total Operating Revenues - Amortization of Deferred Revenue}}$$

**Debt Service Coverage Ratio**

$$\frac{\text{Total Excess of Revenues Over Expenses + Interest, Depreciation, and Amortization Expenses + Amortization of Deferred Revenue + Net Proceeds from Entrance Fees}}{\text{Annual Debt Service}}$$

**Days Cash On Hand Ratio**

$$\frac{\text{Unrestricted Current Cash \& Investments + Unrestricted Non-Current Cash and Investments}}{(\text{Operating Expenses - Depreciation - Amortization})/365}$$

**NOTE:** These formulas are also used by the Continuing Care Accreditation Commission. For each formula, that organization also publishes annual median figures for certain continuing care retirement communities.

## FORM 7-1 REPORT ON CCRC MONTHLY CARE FEES

---

Complete **Form 7-1** to report the monthly care fee increase (MCFI) for **each** community operated by the Provider. If no adjustments were made during the reporting period for a community, indicate by checking the box below **Line [2]**. Providers must complete a separate Form 7-1 for each of their continuing care retirement communities.

1. On **Line 1**, enter the amount of monthly care fees for each level of care at the *beginning* of the reporting period.
2. On **Line 2**, indicate the percentage(s) of increase in fees implemented during the *reporting* period.
3. On **Line 3**, indicate the date the fee increase was implemented. If more than one (1) increase was implemented, indicate the date(s) for each increase.
4. Check *each* of the appropriate boxes.
5. Provide a detailed explanation for the increase in monthly care fees including the total dollar amount for the community overall and corresponding percentage increase for each level of care in compliance with the Health and Safety Code. The explanation shall set forth the reasons, by department cost centers, for any increase in monthly care fee. It must include if the change in monthly care fees is due to any actual or projected costs related to any other CCRC community or enterprise affiliated with the provider or parent company.

The methodology used to budget future costs should align with one or more of the following factors: “projected costs, prior year per capita costs and economic indicators.” Describe the methodology used for single or multiple communities. If there are multiple MCFI percentages, i.e., by level of care, a separate explanation for each MCFI will be required.

Also, if there is a positive result of operations, the provider will need to explain how the funds will be used and/or distributed consistent with disclosures made in the applicable sections of the Continuing Care Contract.

**This attachment should include the data used in the Monthly Care Fee Increase meeting presentation provided to residents, which will also include actual results and an explanation of any variances.**

**NOTE:** Providers shall retain all documents related to the development of adjusted fees at their respective communities for a period of at least three years, i.e., budgets, statements of operations, cost reports, used near the end of the prior fiscal year to develop adjustments implemented in the current reporting period. These documents must be available for review upon request by the Department.

**FORM 7-1**  
**REPORT ON CCRC MONTHLY CARE FEES**

	<b>RESIDENTIAL LIVING</b>	<b>ASSISTED LIVING</b>	<b>MEMORY CARE</b>	<b>SKILLED NURSING</b>
1. Monthly Care Fees at beginning of reporting period: (indicate range, if applicable)	<u>3230-9442</u>	<u>9350-12150</u>	<u>11760-15638</u>	<u>N/A</u>
2. Indicate percentage of increase in fees imposed during reporting period: (indicate range, if applicable)	<u>5.8%</u>	<u>12%- 27%</u>	<u>10%- 43%</u>	<u>N/A</u>

Check here if monthly care fees at this community were not increased during the reporting period. (If you checked this box, please skip down to the bottom of this form and specify the names of the provider and community.)

3. Indicate the date the fee increase was implemented: 9/1/2022  
(If more than one (1) increase was implemented, indicate the dates for each increase.)

4. Check each of the appropriate boxes:

Each fee increase is based on the Provider’s projected costs, prior year per capita costs, and economic indicators.

All affected residents were given written notice of this fee increase at least 30 days prior to its implementation.

**Date of Notice:** 7/1/2022      **Method of Notice:** Hand delivery & Mail

At least 30 days prior to the increase in fees, the designated representative of the Provider convened a meeting that all residents were invited to attend. **Date of Meeting:** 7/28/22

At the meeting with residents, the Provider discussed and explained the reasons for the increase, the basis for determining the amount of the increase, and the data used for calculating the increase.

The Provider distributed the documents to all residents by [Optional - check all that apply]:

Emailed the documents to those residents for whom the provider had email addresses on file

Placed hard copies in resident cubby

Placed hard copies at designated locations

Provided hard copies to residents upon request, and/or

Other: [please describe] Electronic copies on request

**Date of Notice:** 7/28/22

- The Provider provided residents with at least 14 days advance notice of each meeting held to discuss the fee increases.

**Date of Notice:** 7/7/22

- The governing body of the Provider, or the designated representative of the Provider posted the notice of, and the agenda for, the meeting in a conspicuous place in the community at least 14 days prior to the meeting.

**Date of Posting:** 7/20/22 **Location of Posting:** elevators, credenza, mail room

- Providers evaluated the effectiveness of consultations during the annual budget planning process at a minimum of every two years by the continuing care retirement community administration. The evaluation, including any policies adopted relating to cooperation with residents was made available to the resident association or its governing body, or, if neither exists, to a committee of residents at least 14 days prior to the next semiannual meeting of residents and the Provider's governing body and posted a copy of that evaluation in a conspicuous location at each facility.

**Date of Posting:** 6/30/23 **Location of Posting:** mailroom

5. On an attached page, provide a detailed explanation for the increase in monthly care fees including the amount of the increase and compliance with the Health and Safety Code.

**PROVIDER:** 899 Charleston d/b/a Moldaw Residences **COMMUNITY:** Moldaw Residences

# MOLDAW

INSPIRED LIVING FOR GENERATIONS

---

Taube Koret Campus for Jewish Life

899 Charelston dba  
Moldaw Residences  
Support Schedule for Form 7-1, Item 5  
Fiscal Year Ending June 30, 2023

The goals of the annual budgeting and rate setting process of 899 Charleston dba Moldaw Residences (Moldaw) are to:

- Accurately reflect the costs to provide services and care to residents and comply with the Health and Safety Code;
- Accurately reflect the costs of Moldaw's other business needs, such as insurance coverage;
- Meet Moldaw's bond covenants; and
- Maintain or strengthen Moldaw's long-term financial sustainability.

The development of the budget is a multi-month process that begins with members of the Finance team assembling historical financial data and forecasting expense increases in the coming year. It concludes with the Board of Trustees approving the budget. The process includes multiple internal reviews, including updates and presentations to the Resident Budget and Finance Committee.

Budgeted service fee revenue for the residential units is calculated by considering current and projected occupancy percentages by unit type, as well as monthly fees for the unit, including the rate increase.

In Fiscal Year Ending June 30, 2023, Moldaw's monthly service fees increased 5.8% effective September 1, 2022. This increase was chosen to enable Moldaw to pay for its anticipated expenses, meet the financial covenants related to its bond debt, and allow continued investment in capital projects.

## Form 7-1 Attachment Monthly Care Fee Increase

*[NOTE: The provider must include a narrative with this attachment to explain how they complied with the Health and Safety Code. Below is an example how the monthly care fee increase was determined in conjunction with the narrative using projected costs. This attachment does not address “Per Capita Costs” but could partly incorporate elements of “Economic Indicators” into the function of projecting future costs.]*

### **FORM 7-1 MONTHLY CARE FEE INCREASE (MCFI) ANNUAL REPORTING FISCAL YEAR (FY) 2023**

Dollar Amounts in Thousands

Line	Fiscal Years	2021	2022	2023
1	F/Y 2021 Operating Expenses <sup>1</sup>	(\$11,590)		
2	F/Y 2022 Anticipated Operating Expenses <sup>2</sup> (Adjustments if any, Explained Below)		(\$12,863)	
3	Projected F/Y 2023 Operating Expense (Adjustments <sup>3</sup> Explained Below)			(\$13,092)
4	F/Y 2023 Anticipated MCF Revenue <sup>2</sup> Based on Current and Projected Occupancy and Other <sup>4</sup> without a MCFI			\$13,179
5	Projected F/Y 2023 (Net) Operating Results <sup>2</sup> without a MCFI (Line 3 plus Line 4)			\$87
6	Projected F/Y 2023 Anticipated Revenue Based on Current and Projected Occupancy and Other <sup>4</sup> with MCFI 5.8%			\$13,606
7	Grand Total - Projected FY 2023 Net Operating Activity After 5.8% MCFI (Line 3 plus Line 6)			\$514

**Monthly Care Fee Increase: 5.8%**

#### Adjustments Explained:

Operating Expense figures exclude depreciation, amortization, and interest expense.

<sup>1</sup> Enter to the total operating expenses from the independent audit of the Statement of Operations

<sup>2</sup> Internal Accounting and Budget Records does not include entrance fees

<sup>3</sup> “Adjustments” can include but not limited to reserves

<sup>4</sup> “Other” can include but not limited to Contributions and Ancillary
